

NATURALLY BETTER

Made from FSC® certified Birchwood. FSC (Forest Stewardship Council®) is the industry benchmark for sustainably managed wood and wood products.

BioPak's wooden cutlery is an alternative to disposable plastic cutlery. Our beautifully crafted birch wood cutlery is a stylish, affordable, eco-friendly cutlery choice for your next picnic, office or dinner party, special event, wedding, or in your cafe or restaurant!

Made from wood, it will biodegrade and will not pollute or damage the environment.

Carbon neutral

Made from FSC® managed plantations
